

2024 SPONSORSHIP AGREEMENT

Eastern Little League has **over 250 players**, comprising over **20 teams**. Unfortunately, baseball is expensive (A single ball is over \$5!!!), and not all of the families on our teams can afford the cost. We ask for sponsorships to help subsidize the cost of equipment & apparel so we can keep our entry fees as low as possible. We want every kid to be able to play baseball!

We accept cash or check (made payable to: Eastern Little League). Use the QR code below for a direct link to our secure online payment portal.
